RE: *Request for Certificate of Correction*
Patent No. 5,933,071
Dated: August 3, 1999
Entitled: "ELECTRICITY DISTRIBUTION AND/OR POWER TRANSMISSION NETWORK AND FILTER FOR TELECOMMUNICATION OVER POWER LINES"
Inventor(s): Paul Anthony Brown

Sir:

Enclosed are two originals of the form PTO/SB/44. Two errors are thereon corrected. These errors are believed to be due to Patent Office oversight. A Certificate of Correction is requested under 35 U.S.C. § 254.

The first error is an omission of a reference to Applicant's foreign priority claim to GB 9222205. The second error is a typographical error in claim 3, column 8, line 66.

The Applicant's foreign priority claim was acknowledged on the application filing receipt. The Applicant said that the certified copy of the priority document was filed in the parent application Ser. No. 08/347,427 filed Nov. 24, 1994. (See page 8 of Applicant's Amendment dated 4 Feb. 1998). The Examiner did not acknowledge this certified copy, so Applicant submitted another certified copy by Express Mail on Nov. 20, 1998. A copy of Applicant's return post card is enclosed. Evidently, Applicant's submission dated Nov. 20, 1998 was matched with Applicant's file, because the Gohari reference cited on the Applicant's Form PTO 1449 filed with the certified copy is listed on the face of the U.S. Patent 5,933,071.
